The NexGen Destinations Advantage: Beyond Traditional DMC Services

NexGen Destinations delivers more than destination management — it delivers a connected experience ecosystem.

Planners gain access to a full suite of premium features that simplify management and elevate impact:

- Planner & Attendee Dashboards – Real-time itineraries, flight manifests, transportation schedules, and budget tracking in one intuitive portal.
- Creative Program Design – Custom experiences that highlight the best of the Southwest —

from desert dining under the stars to wellness retreats in the Sonoran sun.

- Hands-On Execution – Dedicated local experts managing every touchpoint, ensuring flawless communication and logistics.
- Supplier Network Access – Preferred partnerships across luxury resorts, exclusive venues, entertainment, and ground operators.
- Full Transparency – Instant updates, seamless billing, and post-program analytics through NexGen’s proprietary M&E platform, created by [e-DestinAccess](#).

Meet in the Sunbelt: Arizona and Southern California

The Sunbelt continues to rise as the destination of choice for corporate meetings, incentive travel, and creative conferences — offering year-round sunshine, convenient airlift, and unmatched diversity of venues.

NexGen Destinations has reimagined how groups experience these regions, curating programs that fuse local authenticity, cutting-edge technology, and high-touch hospitality.

Signature locations include:

- Scottsdale & Phoenix, Arizona – Desert elegance meets innovation.
- Tucson – Culture, cuisine, and creativity in the Sonoran Desert.
- Southern California – Iconic design and outdoor inspiration.

Creativity Meets Precision

Every NexGen program is built from a place of imagination and executed with operational excellence.

From designing brand-themed welcome events to orchestrating sunrise hot-air balloon experiences, NexGen combines creative flair with technical precision — ensuring each event tells a story worth remembering.

“We’ve moved beyond being a vendor,” said Anita Beaubien, President of NexGen Destinations. “We’re a creative partner, with a data-driven logistics engine, and a hospitality brand and hands on industry experience from a team that understands the value of emotion and experience. That’s what planners crave — reliability with a heartbeat.”

About NexGen Destinations

NexGen Destinations is a full-service Destination Management Company (DMC) serving Arizona and Southern California, powered by proprietary technology provided by the industry leader of meeting and event technology development company, e-destinaccess.

By blending human expertise with smart technology, NexGen Destinations delivers seamless, authentic, and unforgettable group experiences — from planning and sourcing to execution and measurement.
