### About Atlanta Community Food Bank

The Atlanta Community Food Bank works to end hunger with the food, people, and big ideas needed to ensure our neighbors have the nourishment to lead healthy and productive lives. Far too many people in our own community experience hunger every day. Through more than 700 community-based, nonprofit partners in 29 counties, we help thousands of families, children, and seniors get healthy food every year. Our goal is that all hungry people across metro Atlanta and north Georgia will have access to the nutritious meals they need when they need them. It takes the power of our whole community to make that possible. In 2023, the Atlanta Community Food Bank distributed its one billionth meal. Join us at [ACFB.org](https://www.acfb.org).
