As the very first holiday-themed cocktail pop-up bar, Miracle® set the standard with its whimsical blend of nostalgic décor, creative cocktails, and infectious holiday spirit. With eleven years of

success worldwide, Miracle® now brings its nostalgic magic to Fair Oaks Farms. Guests will find themselves surrounded by floor-to-ceiling holiday décor, vintage garlands, and twinkling lights while sipping festive cocktails and mocktails served in signature glassware. From hearty comfort foods like the Fair Oaks Farms signature grilled cheese sandwich and flavorful quesadillas to celebratory craft drinks Miracle® offers the perfect backdrop for holiday gatherings with friends or family nights filled with cheer.

Just steps away, the Farmhouse Restaurant transforms into an enchanting winter wonderland, decorated beyond anything seen in previous years. Families and friends can gather in a spectacular [dining](#) room

filled with festive charm or book an intimate evening in one of the Farmhouse private dining igloos, where the full menu of gourmet cuisine is served under the stars beginning mid-November. The atmosphere becomes even more magical throughout December when local school carolers will fill the space with music on Thursday and Sunday evenings. Guests can enjoy seasonal creations alongside beloved Farmhouse classics, such as the guest-favorite Chicken Pot Pie, making every meal a memory worth savoring.

The Farmhouse will also feature special holiday menus, including a chef-prepared Thanksgiving To Go package that allows families to enjoy a traditional holiday feast in the comfort of home. On New Year's Eve and New Year's Day, diners can toast to the season with celebratory menus designed for both intimate parties and multi-generational gatherings, ensuring the holidays end on a high note.

The holiday spirit extends well beyond the Farmhouse. The Fair Oaks Farms Adventures will be transformed into a breathtaking destination where every building glows with festive décor. The Dairy Adventure will offer a complete winter wonderland experience. Families can meet holiday characters, join in themed games, and enjoy the debut of Dairy Tales with Farmer Kringle – a heartwarming storytelling adventure featuring Santa's farming brother. At Dairy Tales with Farmer Kringle, guests will enjoy an early evening bus ride to the decorated robotic dairy, sip milk and eat cookies, and help Farmer Kringle deliver wish lists directly to the North Pole. Interactive experiences are included with admission, while the special storytelling requires reservations, offering families unique opportunities to embrace the season together.

Fair Oaks Farms also makes holiday gifting simple and memorable. The Cheese Collections showcase artisanal flavors that are perfect for sharing with family, friends, or coworkers, and special promotions throughout November and December make it easy to give the gift of flavor. Families looking for experiences rather than things can purchase the Cream of the Crop Adventure Membership, which provides year-round access to the farm's attractions. As an added holiday bonus, Cream of the Crop memberships purchased between November 20-December 31 includes a \$50 gift card, making it a gift that continues to give even after the holidays are over.

From festive dining and immersive adventures to creative shopping and overnight stays at the on-site Fairfield by Marriott, Fair Oaks Farms has curated a holiday season that blends warmth, hospitality, and holiday magic. Whether guests come to sip cocktails at Miracle®, celebrate milestones at the Farmhouse, enjoy storytelling with Farmer Kringle, or pick up holiday gifts, the farm becomes more than a destination – it becomes a holiday tradition and a place to come home for the holidays.
