

Over a Decade Strong: Ship A Car, Inc. Prioritizes Integrity Over Paid Recognition

While competitors buy their way onto "Top Auto Transport Company" lists, Ship A Car, Inc. continues to earn trust the honest way through results.

CORAL SPRINGS, FL, UNITED STATES, October 9, 2025 /EINPresswire.com/ -- In an industry crowded with brokers chasing paid accolades and questionable "Top 10" list placements, Ship A Car, Inc. proudly celebrates over a decade of delivering unmatched vehicle transport services with no gimmicks, no shortcuts, and no paid recognition.

For more than thirteen years, Ship A Car, Inc. has stood firm in its founding principle:

"The difference between ordinary and extraordinary is that little extra."

From cars and motorcycles to golf carts, RVs, and heavy equipment, SAC has successfully shipped over 50,000 vehicles nationwide coast to coast, including Alaska and Hawaii. Rather than buy space on Forbes.com, Consumer Affairs, or other "top-rated" lists, the company continues to let its service record and customer satisfaction speak louder than any headline.

MESSAGE TO OUR CUSTOMERS

- We may not have the answer, but we'll find it.
- We may not have the time, but we'll make it.
- You are and always will be our FIRST PRIORITY.

While many auto transport companies struggle to maintain trust in an increasingly crowded marketplace, Ship A Car, Inc. remains a family-owned and A+ BBB-rated brokerage with a strong emphasis on transparent pricing, real-time communication, and dedicated coordinators for every client.

We don't buy our reputation—we earn it. Our mission has always been to serve customers with honesty, urgency, and unmatched care."
