Centers, a leading provider of individualized chiropractic treatment plans, is proud to announce that its Kansas and Missouri clinics are now accepting select Medicare plans and Medicaid insurance. This expansion increases access to natural, drug-free chiropractic care for seniors, families, and individuals seeking relief from pain and improved overall wellness.

The acceptance of select Medicare and Medicaid plans will apply to patients at the following Chiro One clinics in Kansas: Lenexa, Overland Park Central, and Overland Park North, as well as the following clinics in Missouri: Blue

Springs, Central West End, Creve Coeur, Ellisville, Liberty, O’Fallon, Park Hill, Richmond Heights, St. Charles, St. Peters, Town & Country, and Wentzville.

“Expanding access through Medicare and Medicaid helps us serve more members of our community who deserve safe, effective, and affordable chiropractic care,” said Mark Lagerkvist D.C. SVP MWMA (Senior Vice President Mid-West Mid-Atlantic Region) at Chiro One. “Our mission has always been to help patients feel better, function better, and live better. By accepting these plans, we’re removing barriers and ensuring more people can get the care they need.”

Patients interested in learning more about accepted insurance options can visit [Insurance Verification](#) to see an overview of the types of insurance plans accepted, including select Medicare and Medicaid plans, and offers helpful information for patients exploring coverage options for chiropractic care.

With a focus on helping patients manage conditions such as back pain, neck pain, headaches, sciatica, and more, Chiro One continues to deliver personalized, evidence-based chiropractic care that supports long-term health and wellness.
