

# AI Startup DotRyt Lets Government Contractors Prepare Bids in Under an Hour and Access \$10M in Financing

*A True End to End Solution For Government Contractors To Win More Contracts.*

MIAMI, FL, UNITED STATES, October 9, 2025 /EINPresswire.com/ -- DotRyt Solutions, an AI-powered platform for government contractors, announced today that businesses can now complete compliant federal contract proposals in under an hour — and access up to \$10 million in financing through its DotFinance partnership.

DotRyt Solutions

With the federal government awarding more than \$700 billion annually in contracts, smaller businesses often struggle against larger primes with proposal teams and deeper pockets. DotRyt's AI levels the playing field by slashing bid preparation time from days to hours, while its financing option ensures contractors can execute projects without capital constraints.

DotRyt features include:

- AI-Powered RFP Analysis & Compliance
- End to End Proposal Drafting in Under an Hour
- Suggested Vendors & Line Item Pricing + Financial Forecasting
- Contract Financing Up to \$10M

"We engineered this software to help businesses put out more competitive bids. DotRyt saves them dozens of hours and gives them the resources to deliver on larger contracts. Meaning potential savings for the government as well. " said Samir Ali, Co Founder & CMO of DotRyt Solutions. "This is a revolutionary shift for GovCon — fast bidding, built-in compliance, and financial strength up to \$10 million."

"Our next big software update includes a solution for all local, state and even international contracts to be bid on" Ryan Timmons- Co Founder & CEO

DotRyt's Free Trial is available now at [www.DotRyt.com](http://www.DotRyt.com).
