

Anker SOLIX Launches C2000 Gen 2, a Powerful and Expandable Backup Solution for Home and RV

BELLEVUE, WA, UNITED STATES, October 10, 2025 /EINPresswire.com/ -- [Anker SOLIX](#), a global leader in power delivery and storage solutions, today announced the launch of the Anker SOLIX C2000 Gen 2, a next-generation 2kWh portable power station designed for reliable home backup and RV use. Building on the growing SOLIX lineup, the C2000 Gen 2 offers ultra-efficient power management, expandable capacity, and fast dual-input recharging, making it a versatile solution for both emergencies and everyday off-grid lifestyles.

The Anker SOLIX C2000 Gen 2 is engineered for long runtime with ultra-low power consumption, providing efficient backup for essential household devices. With dual AC and solar input, users can fully recharge the system quickly, ensuring uninterrupted power. The C2000 Gen 2 also supports modular add-ons, including an expansion battery and solar panel bundles, enabling households and RV owners to scale capacity based on their specific needs.

Key Features:

- **Efficient Backup:** Thanks to OptiSave™, idle draw is only 9 W, making C2000 Gen 2 the first 2 kWh unit under 10 W standby, it can power a 190 W fridge for up to 32 hours.
- **Fast Recharge:** AC + solar dual input restores full charge in just 58 minutes, the fastest among 2

The logo for Anker SOLIX. The word "ANKER" is in a bold, blue, sans-serif font. Below it, the word "SOLIX" is in a similar blue font, but the letter "O" is replaced by a green circular icon with a white lightning bolt inside.

kWh class units.

- Expandable Capacity: Compatible with expansion battery and solar panel bundles.

- RV-Ready: TT-30 outlet, space-efficient design, and durable build for road travel.

The C2000 Gen 2 is designed as an accessible yet scalable power solution, balancing compact portability with the ability to expand into a complete home or RV energy system. With its rugged construction, flexible recharging, and efficient operation, it delivers dependable power for households, travelers, and adventurers alike.
