After graduating from the Orion Star Academy, they are chosen to serve in the elite Orion Star Corps. What begins as the fulfilment of a dream quickly changes into a dangerous struggle for survival.

The Marines soon find themselves facing terrifying, monstrous creatures, hidden conspiracies, and betrayals that shake their faith in the system they serve. Each mission pushes them further into situations where their courage, loyalty, and will to live are tested.

The novel mixes fast-paced action with moments of suspense and fear. At the same time, it explores the strength of friendship and the determination needed to survive in impossible circumstances.
