

Sanjeev Chitre Announces Upcoming Release of Father of Nations, a Visionary Novel on Global Peace, Unity, and Leadership

ORLANDO, FL, UNITED STATES, October 10, 2025 /EINPresswire.com/ -- Author and entrepreneur Sanjeev Chitre is preparing to release his highly anticipated novel *Father of Nations*, a political philosophical work that challenges conventional views of nationalism and conflict while offering readers a bold vision of peace through practical global cooperation. The book will be officially launched in the coming weeks and is expected to spark important conversations around leadership, unity, and the shared future of nations.

Father of Nations will be published through Parker Publishers and it blends romantic storytelling with political insight, asking urgent questions about power, inequality, and the possibility of reconciliation in a world often divided by borders, class, and ideology. Through its central figure, Eugene Alexander, a fictional Black President of the United States, the novel presents the "Doctrine of Wealth and Peace," a philosophy that redefines progress as prosperity without war and leadership as service to humanity rather than self-interest.

A Timely Message for a Fractured World

At a time when global divisions dominate headlines, *Father of Nations* brings forward a narrative of hope. of Making Our World Peaceful Again. (MOWPA). It examines how cooperation can replace conflict, how leaders can inspire unity instead of division, and how shared responsibility can create prosperity for all. The book's themes connect deeply to ongoing debates on economic disparity, Wars, Mass killings, and the widening gap between the haves and have nots. Life is about achieving prosperity through offering Carrots/ Incentives rather than beating with Tariffs/ Punitive actions. A romantic underpinning keeps you for reading for more .

Chitre's work is not only engaging fiction but also a platform for dialogue. "True leaders heal, not divide," Chitre affirms . "Through this story, I want readers to see that peace is not just an ideal but a choice that nations and their leaders can make."

Key Highlights of Father of Nations

- Reframes wars through a balanced and hopeful fictional lens
- Presents the Doctrine of Wealth and Peace as an alternative to endless conflict
- Explores themes of nationalism, shared humanity, and global cooperation
- Encourages readers to consider how ethical leadership can transform societies

About the Author's Vision

Sanjeev Chitre's journey from growing up in Mumbai to becoming a successful entrepreneur in the United States informs much of the book's foundation. His experiences in business and global markets have given him a unique perspective on economic disparity and cooperation across cultures. With *Father of Nations*, Chitre uses fiction to address real-world issues, blending his professional insight with a personal belief in the power of unity.

Availability

Father of Nations will be released soon and made available worldwide on Amazon and other major platforms. Readers and reviewers are encouraged to watch for the launch announcement and join in the conversation that the book seeks to inspire.

About the Author

Sanjeev Chitre, the groundbreaking author of *Father of Nations*, is a transformative force dedicated to reshaping the landscape of wealth and relationships. A successful serial entrepreneur, Sanjeev has discovered that the true essence of abundance lies in the simple virtues of life. He has not only generated Quantum Wealth for himself and his teams but has also become a beacon of hope for individuals trapped in the stifling confines of corporate culture.

In his compelling previous book, *What Not To Do in Entrepreneurship*, Sanjeev challenges the status quo, aiming to elevate the success rate of entrepreneurs beyond the dismal 3% mark. His vision is bold: to ignite a movement of abundance that empowers those who dare to dream.

Father of Nations is the culmination of Sanjeev's lifelong mission to build a Wealth Creation Engine for every citizen. He envisions a world where innovative solutions like equitable taxation can eradicate poverty and conflict, transforming lives and communities. Through a gripping narrative, Sanjeev channels the power and responsibility of the President of the United States, portraying a leader who sees global prosperity as a divine obligation—a role perfectly aligned with the duties of a nurturing father.

Outside of his literary endeavors, Sanjeev immerses himself in his passions for building companies, gardening, wine and cheese-making, exploring the rich science of Umami and Kokumi. His life's mantra is simple yet profound: to spread happiness and cultivate peace in every corner of the world.

Join Sanjeev on this extraordinary journey as he invites you to envision, embrace, and create a future where abundance is not just a dream, but a reality for all. Experience the powerful narrative and revolutionary insights that will inspire a new generation of leaders and changemakers.
