

# Sports Turf is a Proud Sponsor of the Georgia High School Football Daily's Flag Football Player of the Week Award

*Leading athletic construction company's sponsored award recognizes stand-out flag football player*

“

As a company that places great importance in high school athletics, it's beyond astounding to see the way flag football has grown and provided opportunities for girls across the state.”

*Sports Turf Company  
President Todd Wiggins*

CARROLLTON, GA, UNITED STATES, October 10, 2025 /EINPresswire.com/ -- [Sports Turf Company](https://www.sportsturfcompany.com/), a specialty sports construction and surfacing company, is the proud sponsor of the Georgia High School Football (GHSF) Daily's Flag Football Player of the Week Award. The award recognizes a player each week who was a significant stand-out during the nine-week season competition.

Currently, Georgia is the leader in girls' flag football, becoming the fourth state to sanction it as an official high school sport in 2020, with over 7,000 girls participating in the previous 2024 season. The sport is rapidly expanding,

with more than half of Georgia's high schools offering a team and several schools providing scholarships, giving girls across the state an opportunity to join a sports league.

“We are honored to sponsor this award that recognizes the top flag football athletes in the state of Georgia,” said Sports Turf Company President Todd Wiggins. “As a company that places great importance in high school athletics, it's beyond astounding to see the way flag football has grown and provided opportunities for girls across the state. We want to recognize and celebrate these athletes, the same way we celebrate male athletes.”

Sports Turf specializes in the construction and installation of sports surfaces, including natural grass and artificial turf fields, tennis courts and track surfaces across five states, from colleges to professional venues. In addition, Sports Turf Company serves as a consultant and owners' advocate through the entire process of selecting the best facility solutions and surfaces to meet owners' specific needs.
