Woligo Health Solutions is working with the Oklahoma Hospital Association to extend innovative healthcare options to local employers that help lower health plan costs.

“Traditional health plan structures are often complex, confusing, and filled with unnecessary middlemen,” said Rich Rasmussen, President and CEO of the Oklahoma Hospital Association. “This program flips the script by simplifying the process and giving employers the tools to take back control and save money while doing it.”

Through this dynamic partnership, Oklahoma City Metro employers now have access to a fresh alternative to traditional health plan options - one designed to help them better manage costs while providing greater control and transparency.

Program Benefits for Employers Include:

- **Lower Costs:** Employers can save up to 20% on health plan expenses.
- **Simplified Administration:** Straightforward structures that reduce administrative costs and confusion.
- **Customized Plans:** Flexible options crafted to fit the specific needs of every business, regardless of industry.
- **Stronger Employee Support:** Solutions designed to help improve employee access to care and
