"It's been a long journey, and I'm thrilled to finally release this book," exclaims Nicholas. "*One Grimm Night* is based on popular fairy tales, but with a chilling twist. All the characters are ones readers know and recognize, yet you've never seen them like this before. The story traps these familiar legends together in unexpected ways, weaving suspense, mystery, and horror into a scary tale unlike any other."

Familiar faces from classic fairy tales are brought together in an unexpected way. As hidden secrets surface and true horrors unfold, the characters readers thought they knew reveal sides they've never seen before.

"In *One Grimm Night*, you've got six strangers all stuck in one cabin during a storm: a girl in red running from a monster, an old recluse hiding from his past, a mysterious stranger who seems to have come straight from the forest, a blind prince lost in darkness, a scarred woman in a bloodstained dress, and a sweet old lady offering shelter. Each has secrets, each has fears, and

by the end of the night, nothing will be the same," Nicholas warns.

As the night unfolds, hidden monsters emerge, long-buried secrets rise to the surface, and the true horror begins. With nowhere left to run and no way to escape, the survivors are forced to confront the ultimate question: can they survive One Grimm Night?

"You've heard the fairy tales," Nicholas warns, "but the legends lied. Every horrifying story, every whispered warning about haunted forests and foolish wanderers... it all happened on a single night."

About the Author

Chad Nicholas is a thriller, mystery, and horror author whose work pushes the boundaries of genre storytelling. Known for his cinematic style and unflinching narratives, Nicholas made his debut with [Nightmare](#) in 2020, followed by the genre-blending thriller *Shade* in 2021, and his most commercially successful release, [The Animal](#), in 2023.

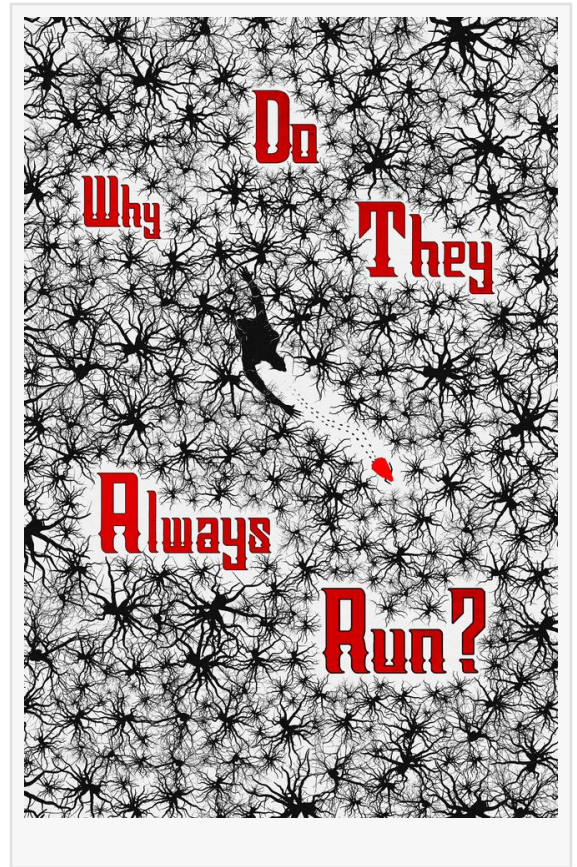

Nicholas holds a Master's degree in Mechanical Engineering from UT Tyler, a background that informs the meticulous detail and tension in his writing. Outside of writing, he enjoys movies, comic books, classic superhero cartoons, and collecting action figures. A lifelong gamer, he was once ranked #1 worldwide on the Teen Titan Challenge Map in *Batman: Arkham Knight*, a badge of honor he proudly keeps.
