

AloOui eSIM Kicks Off Global Travel Campaign for FIFA World Cup 2026 with Early Fan Discounts

AloOui eSIM starts the road to FIFA 2026 with early global travel deals and fan discounts up to 50% coming soon.

DE, UNITED STATES, October 14, 2025 /EINPresswire.com/ -- The global road to the FIFA World Cup 2026 has officially begun, and so has AloOui's mission to connect fans everywhere. AloOui eSIM, a fast-rising leader in global digital connectivity, has announced the launch of its FIFA 2026 Global Travel Kickoff, an early access campaign featuring exclusive travel deals, giveaways, and up to 50% fan discounts coming soon.

With matches hosted across the United States, Canada, and Mexico, the upcoming FIFA 2026 is expected to be one of the most connected sporting events in history. AloOui aims to power that experience with instant digital eSIM access in more than 200 countries, allowing fans to share every match, goal, and celebration without worrying about roaming costs.

"FIFA unites billions of people, and so should technology," said an AloOui spokesperson. "We are building a connected world where fans, travelers, and adventurers stay online anywhere, instantly. This is just the beginning of something big."

The Global Kickoff Begins

Starting this October, travelers can join AloOui's FIFA 2026 Fan List to unlock early access to flash sales, giveaways, and exclusive eSIM offers. The company is teasing discounts of up to 50% on its

global travel data plans, which will roll out in stages leading to the tournament.

Subscribers who register early at www.alooui.com will also receive priority alerts for the main FIFA 2026 Connectivity Event, set to launch in spring 2026.

This campaign marks AloOui's most ambitious move yet, transforming the excitement of FIFA into a worldwide celebration of borderless travel.

Instant Connectivity in 200 Countries and More

AloOui eSIM connects travelers in more than 200 destinations, including the United States, Canada, Mexico, France, Germany, Australia, Samoa, Indonesia, Japan, South Korea, the United Arab Emirates, Brazil, Spain, and the United Kingdom, along with nearly every major travel region across the Americas, Europe, Asia, and the Pacific.

The service lets users activate mobile data in seconds through a simple QR code, with no shipping, no waiting, and no roaming shocks. It works seamlessly on iPhone, Samsung, Google Pixel, and Huawei devices that support eSIM.

"Whether you are cheering in Los Angeles, sightseeing in Vancouver, or relaxing in Samoa, AloOui gives you one-click global internet," said travel influencer and AloOui user Ryan J. "It is the easiest way to stay connected abroad."

Built for iPhone, Samsung, and Modern Travelers

AloOui eSIM is compatible with all major smartphones, from iPhone XS and later to Samsung Galaxy S20 through S23, Fold, and Pixel models.

Setup is quick and easy:

1. Choose your destination or global plan.
2. Receive your QR code instantly by email.
3. Scan it and connect in seconds.

No ID or passport verification is required in most destinations, making AloOui ideal for spontaneous travelers, frequent flyers, and digital nomads.

Early Access Deals Up to 50%Off

To celebrate the campaign launch, AloOui is offering limited-time early access deals up to 30% off select regional and global data plans.

These offers are available throughout October and November 2025 and apply to destinations such as the United States, Canada, Mexico, France, Japan, Indonesia, and Brazil.

Don't miss a single goal! Stay connected effortlessly during the FIFA World Cup with AloOui eSIM, unlimited 5G data, instant activation, and global coverage.

“This is Phase One of something much bigger,” said the AloOui team. “The main FIFA fan discounts, up to 50%, will be revealed in 2026, but those who join now will receive early rewards and exclusive pricing first.”

The Connected World Cup Experience

AloOui’s Connected World Cup vision aims to keep millions of football fans online as they travel across North America for matches, watch parties, and local experiences.

Fans will gain access to special FIFA travel bundles, multi-country data packs, and region-specific offers aligned with the tournament calendar. AloOui also plans collaborations with travel creators and football influencers to share insider connectivity tips for fans visiting the United States, Mexico, and Canada.
