

Cadmus Publishing presents Aimless Triggers a novel by Jose C. Hernandez Jr.

HALEDON, NJ, UNITED STATES, October 13, 2025
/EINPresswire.com/ -- Cadmus Publishing proudly announces the release of [Aimless Triggers](#), a powerful and thought-provoking new novel by author [Jose C. Hernandez Jr.](#) The book explores the forces of fate, faith, and survival within an unforgiving urban landscape, through a voice that is both intimate and reflective.

Set in a neighborhood where the line between chance and destiny is blurred, *Aimless Triggers* follows its unnamed narrator as he confronts the realities of street life and questions whether his encounters—whether sparked by fleeting gestures or coded signals—are random acts or divinely woven moments of purpose. The novel challenges readers to consider how circumstance, choice, and belief intertwine to shape human experience.

Hernandez writes with authenticity and emotional clarity, offering a perspective that resists stereotypes often attached to stories from marginalized communities. Through his protagonist's struggle to live with integrity in a world that seems to reward indifference, *Aimless Triggers* becomes both a personal journey and a broader commentary on identity, resilience, and faith.
