Ya-Yuan Design, Shanghefa Development's Urban Clouds Honored with Prestigious A' Design Award in Architecture, Building and Structure Design Category

COMO, CO, ITALY, October 13, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [architecture](#) design, has announced [Ya-Yuan Design, Shanghefa Development](#)'s "Urban Clouds" as the Gold winner in the Architecture, Building and Structure Design category. This prestigious accolade underscores the exceptional design and innovation demonstrated by the Urban Clouds project, solidifying its position as a standout within the architecture industry.

Urban Clouds

The Gold A' Architecture, Building and Structure Design Award holds significant relevance for the industry and its stakeholders. By recognizing projects like Urban Clouds, the award sets new benchmarks for architectural excellence, inspiring professionals to push the boundaries of design and functionality. This recognition not only validates the hard work and vision of the Ya-Yuan Design, Shanghefa Development team but also highlights the potential for innovative architectural solutions to enhance urban living experiences.

Urban Clouds distinguishes itself through its masterful integration of natural elements with modern design. The project's signature feature, the lattice design on the top floor, transforms the three-dimensional form of clouds into a captivating architectural element. This, combined with the intricate beam and column system on the facade and the breeze-inspired art installation in the lobby, creates a harmonious interplay of light, shadow, and texture. The result

is a living environment that seamlessly connects residents with the beauty of nature while offering the comforts and sophistication of urban life.

The Gold A' Design Award for Urban Clouds serves as a testament to Ya-Yuan Design, Shanghefa Development's commitment to pushing the boundaries of architectural design. This recognition is expected to inspire the team to continue their pursuit of innovative solutions that redefine urban living. As the project garners international attention, it has the potential to influence future trends and standards within the architecture industry, showcasing the transformative power of design in shaping our built environment.

Urban Clouds was brought to life by the talented team at Ya-Yuan Design, Shanghefa Development, including Feng-Huang Pan, Anson Chen, Chun-Yao Hu, and Jun-Kai Wang. Each member contributed their expertise and vision to create a truly remarkable architectural work.
