

Endless Night Returns to New Orleans with 2025 Vampire Ball: 'Vampires of the Silver Screen'

A cinematic vampire celebration returns to New Orleans with a weekend of immersive events, live music, and silver screen-inspired style.

LOS ANGELES, CA, UNITED STATES, October 13, 2025 /EINPresswire.com/ -- Endless Night Productions announces the return of its internationally renowned [Endless Night Vampire Ball](#) weekend, taking place October 30 – November 2, 2025, at the legendary House of Blues New Orleans. This year's theme, "Vampires of the Silver Screen," pays homage to a century of iconic vampire films that have shaped cinematic history and pop culture.

From the haunting shadows of *Nosferatu* (1922) and Bela Lugosi's unforgettable *Dracula* (1931), to the Gothic elegance of Hammer Horror's *Horror of Dracula* (1958) and *Dracula: Prince of Darkness* (1966), the theme captures the evolution of vampires in film. Contemporary influences include *Sinners* (2025), *Nosferatu* (2024), *Babylon* (2024), and the lush visual legacy of *Bram Stoker's Dracula* (1992).

This year's main event will feature a live performance by legendary rock band Razed in Black, known for their genre-defying sound and devoted following.

The weekend opens on Devil's Night, Thursday, October 30, with immersive pre-events, and culminates on Saturday, November 1 with the flagship New Orleans Vampire Ball, widely considered the most elaborate vampire masquerade in the world.

Venue:

House of Blues New Orleans
225 Decatur Street, French Quarter

The New Orleans Vampire Ball attracts guests from around the globe, uniting creative communities, artists, and fans of gothic and alternative culture.
