

TCB Pay Unveils the New App for Smarter Payment Management

TCB Pay launches a new app for high-risk merchants, enabling real-time payments, invoicing, and transaction tracking on the go.

BOCA RATON, FL, UNITED STATES, October 15, 2025 /EINPresswire.com/ -- TCB Pay, a leading provider of payment solutions for high-risk and high-volume merchants, has officially launched its new version of the TCB Pay App.

Designed for the fast-moving needs of modern merchants, the TCB Pay app brings full-featured transaction control to the palm of the hand, whether users are in-store, on-site, or on the go.

“

Our clients don't sit at desks all day, and now, they don't have to. We built this app to give them real-time visibility and actionable insights, wherever they are.”

Benjamin Haguel, CEO of TCB Pay

In this latest version, users can:

Send invoices and accept payments from anywhere, anytime

Track transactions in real time, right from your phone

Manage all your DBAs under one login

Customize reports and export data for accounting or compliance

Accept QR code payments instantly, with custom or fixed amounts

Access secure tools that meet PCI DSS mobile standards

With mobile usage continuing to rise, TCB Pay's app reflects the company's commitment to innovation and merchant flexibility. According to Statista, more than 57 percent of global users prefer mobile apps over browsers for financial services. In a 2023 Deloitte survey, 91 percent of executives reported that mobile access to business data improved decision-making speed.

The app is now available for download on the [App Store](#) and [Google Play](#) for all active TCB Pay merchants. Businesses interested in exploring the platform can also request a demo through the

company's website: tcbpay.com.
