The announcement centers on floor plans ranging from approximately 500 to 1,200 square feet across one- and two-bedroom layouts, situated within a 12-story tower format. Enhancements include in-home laundry, fiber-optic connectivity, and modern appliance packages. Community spaces were reconfigured to promote everyday practicality, including a fitness area, lounge, media room, indoor pool and spa, and a garden terrace. Additional services—such as valet and package receiving—were formalized to streamline daily routines.

This update is timed to align with leasing cycles and sustained interest in [Pet-friendly apartments for rent in Carmel, IN](#). Standard screening processes remain in effect.
