Change can feel overwhelming for little ones — whether it's moving to a new home, starting school, or adjusting to family transitions. [Pupples the Cavalier: Pupples Meets His New Family](#), a new children's picture book by Deborah C. Zourdos, offers reassurance and comfort through the story of a gentle puppy whose journey from fear to love mirrors the experiences of children facing big life changes.

About The Book:

Meet Pupples — a happy little Cavalier puppy who loves playing with his siblings in the peaceful countryside. But one day, Pupples must leave his family behind and move to the bustling city with a new family. At first, every noise feels overwhelming: the rumble of a truck, the wail of a fire engine, the honk of a school bus. Pupples trembles with worry — until smiles, waves, and kind faces turn each frightening sound into a friendly hello.

When Pupples finally arrives at his new home, a gentle boy hugs him tight, tucks him in at night, and whispers, "I'm happy you are part of our family." Through soothing rhythm and comforting repetition, *Pupples Meets His New Family* gently reassures children that even in unfamiliar places, love is waiting to be found.

Perfect for bedtime, storytime, or any child facing a big transition — moving to a new home, starting school, welcoming a pet, or adjusting to change — this beautifully illustrated story brings courage and comfort to little hearts.

Key Highlights:

- A tender story that helps children cope with change and transitions
- Vibrant illustrations that capture Pupples' emotions and adventures
- Reassuring themes of love, family, and belonging
