

ANY.RUN Named Threat Intelligence Company of the Year at the 2025 CyberSecurity Breakthrough Awards

DUBAI, DUBAI, UNITED ARAB EMIRATES, October 14, 2025 /EINPresswire.com/ -- [ANY.RUN](#), a leader in interactive malware analysis and threat intelligence, has been named the Threat Intelligence Company of the Year at the 2025 CyberSecurity Breakthrough Awards. This prestigious award recognizes ANY.RUN's groundbreaking solutions, which deliver real-time, attack-driven threat intelligence sourced from over 15,000 enterprises globally.

ANY.RUN's Threat Intelligence Feeds and Threat Intelligence Lookup are transforming how SOCs

operate in the current landscape. Instead of providing outdated indicators gathered from post-incident reports, ANY.RUN taps into its massive community of 500K analysts and 15K companies that analyze the latest threats in its Interactive Sandbox. The result is continuously updated intelligence that helps SOCs achieve:

- **Global Attack Data:** Live data on global attacks ensures comprehensive threat coverage of new malware & phishing.
- **Threat Behavior Context:** Threat behavior context for IOCs/IOAs/IOBs provide actionable insights for streamlined incident mitigation.
- **Rich Intel Cuts:** Rich intel cuts Tier 1/Tier 2 investigations, helping teams make more confident decisions quickly.

ANY.RUN supports over 15,000 organizations worldwide, including sectors like banking,

healthcare, telecom, retail, and manufacturing, by helping security teams build stronger, faster, and more resilient cybersecurity operations.

Through its cloud-based Interactive Sandbox, analysts can safely investigate and understand malware behavior across Windows, Linux, and Android systems. Combined with TI Lookup, YARA Search, and Threat Intelligence Feeds, ANY.RUN equips teams with the tools they need to accelerate investigations, reduce security risks, and collaborate more effectively.
