

Canaan Beauty by Chevis Zhou Wins Gold in A' Event and Happening Design Awards

Chevis Zhou's Canaan Beauty recognized for exceptional event design by the A' Design Award and Competition

COMO, CO, ITALY, October 14, 2025 /EINPresswire.com/ -- The A' [Design Award](#) and Competition, a highly respected and prestigious award in the field of [event](#) design, has announced Canaan Beauty by [Chevis Zhou](#) as the Gold winner in the Event and Happening Design category. This recognition highlights the significance of Canaan Beauty within the event industry, positioning it as a remarkable example of innovative and impactful design.

Canaan Beauty's award-winning design is particularly relevant to the current trends and needs within the event industry. By integrating Western romance-oriented design concepts with Oriental aesthetics, Canaan Beauty aligns with the growing demand for personalized and culturally-rich wedding experiences. This design not only advances industry standards but also offers practical benefits for couples seeking a unique and memorable venue.

What sets Canaan Beauty apart is its enchanting forest-themed design, featuring warm orange-yellow color schemes, natural and wild fairy tale elements, and a captivating interplay of light and shadow. The main stage, mimicking a Western-style church with traditional Chinese wooden structures, creates a solemn and sacred atmosphere full of oriental charm. The meandering catwalk echoes the ladder structure on the main stage, deepening the visual depth and layering.

The recognition from the A' Event and Happening Design Award serves as motivation for Chevis

Canaan Beauty

Zhou and his team at Dongsi Aesthetic to continue striving for excellence and innovation in their future projects. This win may inspire further exploration of cultural fusion and immersive design elements in the event industry, fostering a new wave of creativity and setting higher standards for wedding venues.

About Chevis Zhou

Chevis Zhou, a veteran banquet space designer with over 12 years of experience, is the visionary founder of the acclaimed Dongsi Aesthetic brand. At the helm of Dongsi's eclectic design team, he leads a group of talented professionals from diverse backgrounds. They continually strive for excellence, weaving together a stunning tapestry of original and captivating artistic creations that inspire awe.

About Golden A' Design Award

The Golden A' Design Award is a prestigious recognition granted to designs that demonstrate exceptional innovation and significant impact within their field. Winners of this award are noted for their visionary approach, pushing boundaries in art, science, design, and technology to deliver solutions that exceed expectations. The rigorous selection process involves blind peer review by an expert jury panel, ensuring that only the most deserving designs receive this honor. Golden A' Design Award winners in the Event and Happening Design category exhibit strong technical attributes, artistic skill, unique innovations, and creative qualities that contribute to the advancement of the industry.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior products and projects since 2008. Open to entries from all countries and industries, the A' Design Award aims to make the world a better place by highlighting the transformative power of good design. Through a rigorous blind peer-review process, a world-class jury panel of design professionals, event industry experts, journalists, and academics evaluate entries based on pre-established criteria. By celebrating remarkable achievements and showcasing pioneering designs on a global stage, the A' Design Award inspires and drives forward the cycle of innovation and advancement in design.
