

Hypertank by Jeffrey Zee Wins Gold in A' Interior Design Awards

Innovative Educational and Entertainment Complex Recognized for Excellence in Interior Design

COMO, CO, ITALY, October 14, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Hypertank by [Jeffrey Zee](#) as a Gold winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional quality and innovation of Hypertank, positioning it as a leading example of outstanding interior design on a global stage.

Hypertank's recognition by the A' Interior Space, Retail and Exhibition Design Award underscores its relevance to current trends and needs within the industry. The design aligns with advanced practices, offering practical benefits for users and stakeholders through its innovative approach to educational and entertainment spaces. This award serves as a testament to Hypertank's significant contribution to the field of interior design.

Located in Xiamen, China, Hypertank is a 4,000-square-meter complex that combines dynamic spatial compositions, cutting-edge technologies, and multimedia artistic expressions to create an immersive, multi-dimensional, interstellar experience for guests of all ages. The design stands out for its captivating visual animations, customized resonances, and meticulously crafted interior elements, which work together to transport visitors on an unforgettable galactic journey.

The Gold A' Design Award for Hypertank signifies the project's potential to inspire future designs

Hypertank

and influence industry standards. This recognition serves as a motivator for Jeffrey Zee and his team at JFR Studio to continue pushing the boundaries of interior design, fostering innovation and exploration in the field. The award highlights Hypertank's role as a benchmark for excellence in educational and entertainment spaces.
