

Schneider Industries and S4M Announce Auction of 1,200 TPD Soybean Crush Plant in Greenwood, Mississippi

Final opportunity to acquire premier soybean processing assets — online auction closes tomorrow, October 15.

ST. LOUIS, MO, UNITED STATES, October 14, 2025 /EINPresswire.com/ -- Schneider Industries, a leader in industrial asset management and [auction](#) services, in partnership with Solutions 4 Manufacturing (S4M), announces the sale of a 1,200 tons-per-day soybean crush facility located in Greenwood, Mississippi.

Following six months of comprehensive site preparation led by Troy Fezler, Principal at Solutions 4 Manufacturing, the remaining plant assets are now being offered through a public online auction managed by Schneider Industries. The auction is currently open and will close on October 15, 2025, at 10:00 a.m. Central Time.

The auction features more than [375 lots](#) of premium processing and support equipment, including a [Crown DTDC 12-High Crown Desolventizer-Toaster-Dryer-Cooler \(Lot 108\)](#) and other major components from the Greenwood facility.

This collaboration underscores the shared commitment of Schneider Industries and Solutions 4 Manufacturing to deliver efficient, high-value asset recovery solutions to the food and agriprocessing sectors. By combining S4M's technical expertise in plant operations with Schneider's extensive auction network and proven execution capabilities, the partnership ensures maximum exposure and return on all available assets.
