

VARStreet Integrates Fortis Payment Gateway into its Platform to Offer More Payment Options for Resellers

Through this integration, VARStreet customers can now effortlessly select Fortis as their preferred payment gateway within the platform.

BURLINGTON, MA, UNITED STATES, October 14, 2025 /EINPresswire.com/ -- VARStreet Inc., a premier provider of an [enterprise software solution for IT and office supply value-added resellers](#) (VARs) in the USA and Canada, is excited to announce the integration of Fortis Payment Gateway into its platform. This new addition expands VARStreet's existing payment gateway offerings and provides VARStreet resellers with even more flexibility in accepting payments.

With this integration, VARStreet resellers who have a merchant account with Fortis can now easily accept payments through the Fortis Payment Gateway on their VARStreet [eCommerce store](#). The integration is implemented to work seamlessly for both the storefront and the back-office payment collection process.

"Many of our customers requested the ability to accept payments through Fortis, and we're excited to be able to offer this option," said Shiv Agarwal, Director of Sales and Marketing at VARStreet Inc. "With the addition of Fortis Payment Gateway, we continue to expand the payment options available to our resellers."

The Fortis Payment Gateway integration is now available for both new and existing VARStreet customers. VARStreet resellers who wish to begin using this payment gateway will need to set up a Fortis merchant account.

In addition to Fortis, VARStreet supports several other leading payment gateways, including Stripe, Authorize.net, PayPal, and Intuit QuickBooks Payments, allowing resellers to choose the
