After 27 years in business,

Thank You

After nearly three decades, we're closing this chapter with full hearts and endless gratitude.

When we started Contract Furniture, Inc., we couldn't have imagined the incredible people, projects, and partnerships that would shape our journey. From small offices to major corporate builds, from loyal local clients to friends who became like family every installation, every delivery, every handshake meant something to us.

As we prepare for retirement, we want to say thank you - to our customers, our team members past and present, our vendors, and the Tampa Bay community that supported us from day one. You helped us build more than workspaces; you helped us build a legacy of trust and hard work.

*With appreciation and warm wishes,
Darla and Mike Vegenski*
