2024, and 2025.

These badges confirm a consistent record of professional service, transparent business practices, and high customer satisfaction. Verified platforms also offer additional accountability and make it easier for customers to choose a qualified contractor.

Licensed Electricians Needed Across Hawaii

To meet increasing project requests, E I Electrical Inc. is actively [hiring licensed journeyman electricians](#). The hiring program provides opportunities to work on residential, commercial, and industrial projects across the Hawaiian Islands. New hires are supported by a company culture rooted in 25 years of experience and consistent safety practices.

The company seeks electricians who value quality work, prioritize job site safety, and aim for customer satisfaction on every assignment. Benefits include health coverage, a vehicle allowance, and competitive hourly pay. This hiring effort is designed to grow capacity while maintaining service timelines and technical standards for ongoing and future projects.

New Partnership Enhances Island Coverage

E I Electrical Inc. has entered a strategic partnership with KM Electrical Services, a Honolulu-based electrical contracting company. Known for a strong reputation in both small and large-scale projects, KM Electric brings additional resources and workforce support to the table. This collaboration is designed to increase scheduling flexibility, improve geographic reach, and share project management capacity.

Together, both companies plan to continue delivering work that aligns with safety codes and quality benchmarks throughout Oahu and the Neighbor Islands. This partnership reflects shared values in professionalism, client satisfaction, and reliable service delivery.

Invitation to Share Experiences and Feedback

Customers who have experienced E I Electrical Inc.'s services are invited to share feedback on the company's website. These insights not only help others understand the value of reliable power solutions but also assist the company in improving its services.
