"As soon as you enter the HDHealingCentre you feel welcomed and at ease.

The whole experience and journey has been life changing for me.

Hannah works with such integrity and empathy.

Hannah will work with you on a level that is tailored to your needs. Hannah will assist you to understand whatever it is in your life that needs to be healed or dealt with. She will empower you to believe in yourself.

My life is definitely totally different since having regular sessions with Hannah. She has given me the tools and confidence to make big changes in my life. I will always be grateful to her for showing me what I needed to see."

"I could not recommend The Healing Centre highly enough, for me anxiety with the menopause hit hard and unmanageable stress followed. After therapy and tablets to help my serotonin levels I still felt a deep sadness and a lack of joy for the wonderful life I have. I went into the healing centre with no idea of what I needed, but with an open mind and a hope that it would give me some peace. I found it all and more, Hannah is an incredible healer her ability to channel and remove the build up of pain, shame and stress I had in my body was nothing but incredible. Each session taught me to redefine my life in a more positive loving way, that talking therapy, although incredibly helpful didn't... the relaxation and the amazing feeling of warmth rippling through my body left me incredibly relaxed and for the first few sessions completely exhausted... with barely a touch I could feel the sensation of trauma leaving my body, for me it felt like cold air being push out and the tears, gentle and healing felt good. My sleep improved immediately my mind felt calmer. Our conversation was gentle and soothing, a mixture of positive energy and insightful words within a protected and safe and environment...you don't need to believe in spirit, just open, but this has been transformative, I experienced something beautiful and I would wish that for everyone."

"I'm a holistic healer with 20yrs experience. I was passing the centre today and thought I'd give a tarot reading a try on the off chance. I've been struggling to find a healer that could help with my issue. Hannah quite simply 'hit the bullseye'. I was very impressed at her understanding and ability to communicate that message to me. It was simply a very profound, deep healing that I

felt immediate change from. That's the sign of a real healer, results trump everything, and the result from this session was fantastic. Walked out with a huge smile on my face feeling much, much better. A little more work to do, so am booked for next week. HIGHLY RECOMMENDED!"

"I first came across HD Healing Centre on a day when I was feeling incredibly anxious and very lost after losing my Nan. As soon as I walked into the shop, I felt peace that I hadn't felt for a long time. I felt very welcomed, as Hannah guided me through ways to feel calmer and more connected with my Nan. Since then, I have had 1:1 sessions with Hannah and received guidance from Dion on numerous occasions, all of which has helped me to understand my anxiety, my blockages and heal underlying trauma. Hannah and Dion have also carried out a home cleanse and I am now enrolled onto their Intuitive Development Course, which is changing my life in more ways than I can ever have imagined. The more work I do with HD Healing Centre, the more myself I feel, which is helping me in both my personal and professional life. I can't thank Hannah and Dion enough for all the help they are giving me. I would highly recommend their services and the gorgeous treasures they have in their shop - perfect for personal use and gifts. Thank you very much HD Healing Centre."
