

Hatch Homes Receives 2024 James Hardie President's Club Award for Siding Excellence in Charlotte, NC

Charlotte-based Hatch Homes named among the top 33 James Hardie siding contractors nationwide for quality installation and customer service.

CHARLOTTE, NC, UNITED STATES, October 21, 2025 /EINPresswire.com/ -- Hatch Homes, an exterior remodeling company based in Charlotte, North Carolina, announced that it has been honored with the 2024 James Hardie President's Club Award, placing it among the top 33 siding contractors in the United States. This prestigious award from James Hardie recognizes elite contractors for outstanding performance in installing James Hardie fiber cement siding, including exceptional project volume, strong year-over-year growth, and superior service quality as rated by homeowners. Hatch Homes is one of only 33 companies nationwide (less than 1% of James Hardie's affiliated

Hatch Homes Honored as a James Hardie President's Club Award Winner

“

This recognition is about more than awards, it's about ensuring homeowners across the Carolinas get siding solutions built to last. Our team is proud to set the standard for craftsmanship and service.”

Bill Gayler

contractors) to earn this distinction in 2024, underscoring the award's exclusivity and the company's high standing in the industry.

Hatch Homes, a Charlotte-based exterior remodeling and siding contractor, has been named a 2024 James Hardie President's Club Award winner. This prestigious honor is given to fewer than 1% of James Hardie ALLIANCE contractors nationwide and recognizes outstanding sales growth and service. Hatch Homes earned the award by achieving the highest year-over-year sales growth among James Hardie contractors in the South region.

The James Hardie President's Club Award is an exclusive honor given annually to top-performing siding contractors across the country. Recipients are selected based on exemplary sales volume or significant year-over-year growth in James Hardie siding installations, combined with a proven commitment to quality workmanship and customer satisfaction. According to James Hardie, President's Club members exemplify "the highest standards of quality, service, and expertise" in fiber cement siding installation. Achieving this award signifies a proven track record of excellence in delivering James Hardie siding solutions and aligning with James Hardie's values of craftsmanship and homeowner service.

[Hatch Homes is headquartered in Charlotte, NC](#) and serves homeowners across North Carolina and South Carolina, including major markets such as Asheville and Winston-Salem, NC. The company specializes in James Hardie fiber cement siding replacement and offers a full suite of exterior remodeling services, including energy-efficient window and door installations, roof and decking replacement. By focusing on top-quality materials and skilled craftsmanship, Hatch Homes has built a strong reputation in communities from Charlotte to Asheville as a trusted James Hardie contractor in North Carolina. Homeowners throughout the Carolinas consistently rate Hatch Homes as a top-tier siding and exterior remodeling contractor, reflecting the company's commitment to professional service and lasting results.

Company leadership attributes this national recognition to Hatch Homes' unwavering commitment to quality and customer satisfaction. "We're proud to be recognized by James Hardie as one of the top siding contractors in the nation," said Owen Luckie, Construction &
