

Voyageur Services Limited Announces Grand Opening of New Courtice Ontario Facility

Voyageur Services Limited, a leading provider of construction, maintenance, and management services hosts grand opening of its facilities in Courtice, Ontario

CLARINGTON, ONTARIO, CANADA, October 14, 2025 /EINPresswire.com/ -- [Voyageur Services](#) Limited, a leading provider of integrated services for the power and infrastructure sectors, in the Greater Toronto Area, is proud to announce the grand opening of its new yard and shop located at 1665 Baseline Road in Courtice, Ontario. An official ribbon-cutting ceremony and open house will be held on Tuesday, October 14th, 2025, from 11:00 AM to 2:00 PM to celebrate the new location within the Municipality of Clarington, just north of the 401 in the heart of the Lake Ontario Energy Corridor.

Voyageur Services Limited

This significant expansion follows the recent acquisition of Broz Excavating Inc. and the formation of the Voyageur Infrastructure Services division. The new Courtice facility represents a major investment in the company's operational capabilities, positioning it to better serve clients across the Durham Region and the Greater Toronto Area.

"The opening of our new Courtice location is a pivotal step in our growth strategy," said Clint Keeler, President of Voyageur Services. "This state-of-the-art facility will enhance our efficiency, house and service our growing fleet, and provide a central hub for our dedicated team. It strengthens our ability to deliver the safe, reliable, and high-quality service our clients depend on."

The new site features a modern, multi-bay shop for equipment maintenance, extensive yard space, and administrative offices. This will allow for the streamlined deployment of resources for the Voyageur Infrastructure, General Services and Power Sector divisions.

"We are thrilled to see Voyageur Services Limited expand with the new Courtice facility, a testament to our commitment to supporting the growing energy and infrastructure projects in the GTA, Durham Region, and across the Lake Ontario Energy Corridor. As a First Nation majority-owned company, the [Mississaugas of Scugog Island First Nation](#) is proud to contribute to sustainable development and economic growth in our region through this strategic investment," Chief Kelly LaRocca.
