

TexStar Chiropractic Expands Leading Chiropractic Care in South Austin

South Austin clinic delivers modern, evidence-based chiropractic care with advanced technology and a patient-first approach.

AUSTIN, TX, UNITED STATES, October 14, 2025 /EINPresswire.com/ -- [TexStar Chiropractic](#), one of Central Texas' most trusted names in evidence-based chiropractic care, continues its mission to transform lives through safe, non-invasive treatments with its state-of-the-art Austin location on Southwest Parkway.

Founded in 2012 by Dr. Michael P. Henry, D.C., TexStar Chiropractic has built a reputation for combining compassionate, patient-centered care with cutting-edge treatment technology. The Austin clinic reflects the company's commitment to delivering the highest level of care to patients seeking long-term relief from back pain, neck pain, headaches, sciatica, and joint issues.

Modern Chiropractic Care That Delivers Results

TexStar Chiropractic's Austin location features a range of innovative treatment options, including:

- [Spinal Decompression Therapy](#) – A non-surgical solution for disc-related back and neck pain.
- MLS Class IV Robotic Cold Laser Therapy – Reduces inflammation and accelerates tissue healing.
