

New Christian Speakers Association Opens Membership to Equip Voices for Global Impact

SIOUX FALLS, SD, UNITED STATES, October 14, 2025 /EINPresswire.com/ -- While the loudest voices in today's culture often lack hope and integrity, a new professional association is rising to ensure Christian speakers become the most respected, sought-after voices in every industry.

[The National Christian Association of Professional Speakers \(NCAPS\)](#) officially opened their membership doors on October 13th, inviting Christian speakers, authors, entrepreneurs, and communicators to join a community built on faith, excellence, and Kingdom impact.

“Christian speakers should be known as the best in the world — for their craft, their integrity, and their love for people. That’s why NCAPS exists,” said [Katie Hornor](#), CEO and Founder of NCAPS.

“

Every voice and every story matters. When Christian communicators are equipped and celebrated, their influence doesn't just change events — it changes lives and entire industries.”

Founders with a Vision

NCAPS was co-founded by three leaders with a shared passion for raising Christian voices to new levels of influence:

Katie Hornor – International speaker, author, and award-winning business coach known as The Flamingo Lady, who equips entrepreneurs to embrace their God-given uniqueness.

Connie Buskohl – CPA and entrepreneur, founder of

Connie Buskohl CPA Firm, bringing expertise in stewardship, financial integrity, and business leadership.

Heather Rosson – CEO of the National Association of Christian Women Entrepreneurs (NACWE), with extensive experience in building networks that empower women of faith.

What NCAPS Offers

Equipping – training and resources to grow in skill, professionalism, and influence.

Recognition – awards and visibility that highlight excellence and open new opportunities.
