

Zanda Earns 11 Awards in G2.com's Fall 2025 Best Software Recognition

Zanda, the global healthcare practice management platform, is proud to announce its recognition across 11 categories in the G2.com Fall 2025 Reports.

SAN FRANCISCO, CA, UNITED STATES, October 15, 2025 /EINPresswire.com/ -- [Zanda](#), the global healthcare practice management platform relied on by over 40K users, is proud to announce its recognition across 11 categories in the [G2.com](#) Fall 2025 Reports.

Zanda, formerly Power Diary, represents a new era in practice management with innovation and reliability.

“

We believe the right practice management software is the smartest investment a healthcare practice can make—and this recognition shows us we're helping our users achieve exactly that.”

Damien Adler

Zanda has been acknowledged for its strong performance, earning distinctions including “Best ROI,” “Fastest Implementation,” “Best Usability,” and “Leader” in the Medical Practice Management category, as well as receiving the “Users Love Us” milestone award. These results are based on the responses of real users for each of the report-related questions featured in the G2 review form.

“We're honored to be recognized by G2, especially because it's a reflection of the value our customers see in Zanda,” said Damien Adler, Zanda Co-Founder, psychologist, and best-selling author. “Our goal has always been to create software that not only makes running a practice easier but

also delivers a strong return on investment. We believe the right practice management software is the smartest investment a healthcare practice can make—and this recognition shows us we're helping our users achieve exactly that.”

As the world's largest and most trusted software marketplace, G2 reaches 100 million buyers annually. Its quarterly and annual awards rank the world's best software companies and products based on authentic, timely reviews from real users.

"Every quarter, G2 ranks the best products across thousands of reports by category, company size, geography, and report type," said Sydney Sloan, CMO of G2. "These reports serve as tailored guides for software buyers researching solutions that meet their specific business needs. Congratulations to Zanda for appearing in our G2 Reports this season, thanks to the positive experiences shared by their customers."
