

Pu Tang by Yunhai Zhao Wins Gold in A' Interior Design Awards

Yunhai Zhao's Innovative Restaurant Design Honored with Esteemed A' Design Award in Interior Space and Exhibition Design Category

COMO, CO, ITALY, October 15, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Pu Tang, a restaurant design by [Yunhai Zhao](#), as a Gold winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the exceptional creativity, innovation, and impact of Zhao's design within the competitive interior design industry.

Pu Tang's Gold A' Design Award serves as a testament to its relevance and value in the Interior industry. The

design aligns with current trends and needs, advancing industry standards and practices through its innovative approach. Pu Tang offers practical benefits for users, the industry, and stakeholders, showcasing the transformative power of well-executed interior design.

Yunhai Zhao's award-winning design stands out for its unique features and meticulous attention to detail. The central floor slab was removed during renovations, creating an inner courtyard that allows for plant growth and increased natural lighting. This innovative use of space, combined with the integration of natural elements like ecological stones, water features, moss, and fern, results in a harmonious blend of artificial and natural landscapes. The design's flexibility and depth are enhanced by the changes in spatial scale and the seamless integration of multiple spaces.
