Since opening its doors in 2022, the family-owned shop has become a beloved community gathering place and a destination for thoughtful, high-quality products.

“

The last three years has been an incredible learning experience. We are so grateful for the community support of our family-owned business.”

Peter MacGillivray

Over the past three years, Provisions Williamstown has significantly broadened its specialty wine selection, offering unique bottles from small producers around the world. The shop has also expanded its food offerings to include fresh bread, a wider array of local cheeses, and a thoughtful selection of gifts and pantry items, making it a one-stop destination for entertaining, gifting, and everyday enjoyment.
