ProbateCourtBond.com - Your trusted source for probate and fiduciary surety bonds.

The Advocord™ logo represents the secure digital platform that helps guardians, trustees, and fiduciaries organize and manage essential records.

"Some guardians and fiduciaries find themselves in a middle spot," said Phil Pavarini of ProbateCourtBond.com. "The estate may not have enough assets to hire an attorney but still need a reliable system to help them organize and manage the responsibilities of caring for another adult. Advocord provides a practical option to help advocates track important details, document activities, and stay organized."

In many cases, using organized recordkeeping tools like Advocord can also help demonstrate responsibility and preparedness to the court or surety, sometimes making the difference between being approved for a [guardianship bond](#) and being denied.

Advocord allows users to log financial and medical information, manage documents, scan receipts, create dependent profiles, and securely share updates with family members or other

trusted advocates. The platform makes annual reporting and ongoing record-keeping simpler, more transparent, and more manageable.

This initiative complements other resources available from ProbateCourtBond.com, including the paperback guides Probate Bonds Made Simple and What Happens to Grandma's Stuff?, both available on the website and Amazon. Guardianship associations, attorneys, and fiduciaries can also benefit from newsletters, direct mail campaigns, and participation in the Building Bonds™ Scholarship, which recognizes qualifying organizations and encourages engagement in fiduciary education and advocacy.
