

ZOMBIES vs VAMPIRES: DEATH CROSS — A Nerve-Tight Survival Epic from Author Will Savive

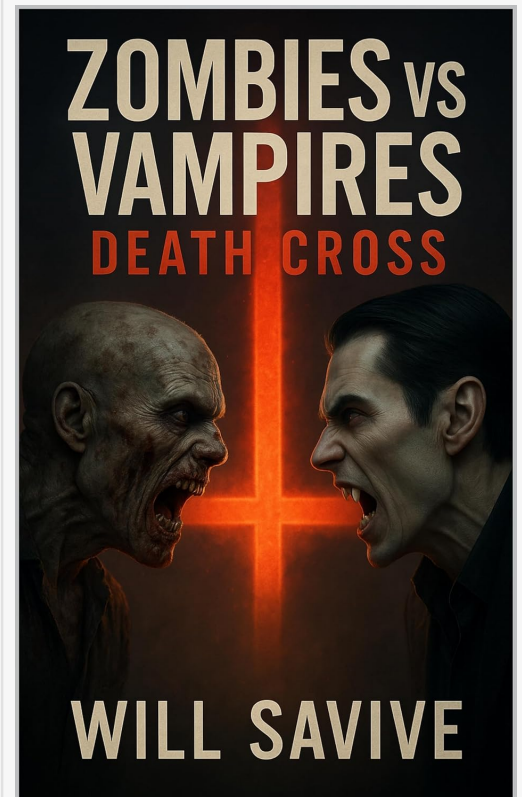

DelGrande Publishing Announces ZOMBIES vs VAMPIRES: DEATH CROSS

LONG ISLAND, NY, UNITED STATES, October 15, 2025 /EINPresswire.com/ -- For centuries, vampires lived among humans in secret—kept in check by courts and blood banks—coexisting quietly until the zombie "Takeover" shattered the truce. A viral catastrophe unleashes fast, hairless, intelligent zombies that hunt by rhythm—clicks, hisses, and patterns that cut through the ruins like language. As cities forget how to be cities, vampires step out of the long shadow where they've quietly coexisted with people. The alliance that once kept order alive fractures: a ruthless faction of vampires turns on humanity to survive, while a rival vision argues that rules—not hunger—must govern the night. A small team of former military will not be anyone's livestock—or anyone's soldiers.

Their only hope is a rumor: a mountain sanctuary with walls, water, and rules. To reach it, they barter with what the end of the world still understands, and a promise not to become the monsters they fight. Hunted by a disciplined vampire army and shadowed by a horde that thinks together, they cross places that forgot their names and ask the only question that matters now: what kind of law deserves to live?
