Sasha's Pet Resort (store.sashaspr.com)

announced today a non-exclusive

distributor agreement with Win World International for the marketing of the Pet Gazebo

REDMOND, WA, UNITED STATES, October 15, 2025 /EINPresswire.com/ -- Sasha's Pet Resort

(store.sashaspr.com) announced today a non-exclusive distributor agreement with Win World, International, headquartered in Ontario, California, for the marketing of the company's Pet Gazebo line of products via Sasha's e-commerce site that targets doggy daycares, kennels and veterinarians.

“

I was focused on the fact that we did not want to incorporate traditional kennel cages which--for my dogs--would be too restrictive. Not saying they're bad but just not part of my mindset.”

The eight-foot Pet Gazebo can house multiple pets

"When I opened Sasha's about six years ago, we decided to separate our daycare rooms downstairs from our guest boarding upstairs. In coming to that decision, I was focused on the fact that we did not want to incorporate

traditional kennel cages which--for my dogs--would be too restrictive. Not saying they're bad but just not part of my mindset. In seeking a solution to that boarding issue, we discovered the Pet Gazebos from Win World. It was one of the most innovative containment solutions that we found in our search. We ordered mostly the four-foot Pet Gazebo's for individual dogs and some of the five-footers for families that wanted two of their pets boarded together."
