Danish String Quartet

music and soccer at a summer music camp. They further developed at Copenhagen's Royal Danish Academy of Music. This GRAMMY-nominated ensemble is regarded as one of the world's finest string quartets, also acclaimed for their innovative approach to the classics and curiosity about folk music. They have integrated the vast classical string quartet repertoire with new compositions and Nordic folk music becoming "an exceptional quartet, whatever repertory they play" (Anthony Tommasini, The New York Times).
