

# Real Fleet Solutions Expands Nationwide Upfitting Capabilities for Commercial Service Fleets

*Leading Florida-based upfitter announces increased national shipping and remote consultations for lawn care, pest control, and tree spraying fleets*

COCOA, FL, UNITED STATES, October 16, 2025 /EINPresswire.com/ -- Real Fleet Solutions, a commercial truck upfitting company serving the lawn care, pest control and tree service industries, today announced expanded nationwide shipping capabilities and virtual consultation services. The expansion supports a growing customer base across the United States and allows for faster delivery of fully equipped, work-ready service vehicles.

“

Fleet managers from Texas to the Carolinas are now engaging with our team through remote consultations and receiving vehicles that are ready to perform on delivery.”

*Jennifer Allen*

With more than 30 years of industry experience, Real Fleet Solutions builds and modifies vehicles for service fleets by integrating spray equipment, storage systems and application-specific configurations. While headquartered in Cocoa, Florida, the company has recently increased production capacity and logistics support to meet rising demand from fleet operators in multiple regions across the U.S.

“Our national growth reflects the trust businesses place in our upfits,” said Jennifer Allen, sales manager at Real Fleet Solutions. “Fleet managers from Texas

to the Carolinas are now engaging with our team through remote consultations and receiving vehicles that are ready to perform on delivery.”

### Unique Tailored Design, Same-Day-Use Builds

Real Fleet Solutions offers full-service upfitting for:

- Lawn care trucks and turf spray rigs
- Pest control trucks with marine-grade sprayers and tanks
- Tree service vehicles with multi-tank pump systems
- Portable spray equipment and skid-mounted rigs
- Upfitting parts and accessories, including hose reels, pumps, valves and tanks

All builds are designed using CAD drawings and video conferencing to review exact operational needs. Final units are fabricated with corrosion-resistant aluminum bodies, fiberglass decking and ergonomic tool access. Builds are shipped nationwide and arrive ready for immediate field use.

Recent clients outside Florida include service providers in Georgia, Wisconsin, and Texas.

### About Real Fleet Solutions

Real Fleet Solutions is a Florida-based commercial vehicle upfitting company specializing in fleet solutions for pest control, lawn care, and tree service industries. Established in 1990, the company offers end-to-end services including truck upfitting, remote design consultations, portable spray equipment, skid rigs, and a full line of replacement parts. Real Fleet Solutions provides repair services across multiple Florida locations and ships completed builds nationwide.
