The event will take place from 9:30 a.m. to 12 p.m., Saturday, Oct. 18, at Dulles Motorcars Subaru, 107 Catoctin Circle SE, Leesburg, VA 20175. This marks the second year of collaboration between FOHA and Dulles Motorcars Subaru.

"We're grateful for the continued support from Dulles Motorcars Subaru," said Alison Maurhoff, Executive Director of FOHA. "Partnerships like this help us bring

attention to adoptable pets and the joy that comes from choosing adoption. The grant funding we receive through the Subaru Loves Pets initiative makes a real difference in our ability to care for animals waiting for homes."

According to the ASPCA®, nearly 6.5 million companion animals enter shelters nationwide each year, where many wait to find loving homes. Through Subaru's partnership with the ASPCA®, Dulles Motorcars Subaru provides direct funding to help FOHA cover essential adoption preparation costs, including veterinary care, surgeries, vaccinations, and other critical services that ensure animals are healthy and ready for their forever homes.

The Oct. 18 event will feature adoptable cats and dogs from FOHA, providing visitors an opportunity to meet their future furry family members while learning more about the shelter's programs and mission.

Subaru's nationwide "Subaru Loves Pets" initiative celebrates the unconditional love of animals and helps thousands of pets find homes each October through adoption events and shelter support across the country.
