

OneStream Live Launches High-Earning Affiliate Program

OneStream Live offers a rewarding affiliate program offering 25% recurring commissions, enabling users to earn ongoing income by promoting the platform.

ESPOO, FINLAND, October 17, 2025 /EINPresswire.com/ -- OneStream Live, a leading cloud-based multistreaming platform trusted by millions of users worldwide, offers a robust [affiliate program](#) designed to help users earn passive income through recurring commissions.

The affiliate model allows users to earn a 25% recurring commission for every successful referral. Once referred, affiliates earn on every subscription renewal—"refer once, earn forever." With this model, affiliates can generate a continuous income stream without the need to build or manage a product.

"We are giving people a simple way to earn. Many of our users already promote us because they know the product well. This program recognizes that support and turns it into ongoing income," said Hanan Naeem, CEO of OneStream Live.

Affiliates are already seeing impressive earnings, with thousands of dollars paid out shortly after launch. Even a small number of active referrals can grow into a sustainable monthly income over time, creating long-term earning potential.

Key Features of the OneStream Live Affiliate Program:

Recurring Earnings: Earn 25% monthly commission on each customer referred.

Support Tools: Free access to templates, tips, webinars, promotional assets, and more.

Flexible Participation: No fixed hours or experience required.
