

CUTWORX USA to Demonstrate Neolt Factory Automation with Canon Colorado M Series at Printing United Expo 2025

Complete System to be Exhibited in Booth 848 · Orlando, Florida · October 22–24, 2025

IRVING, TX, UNITED STATES, October 17, 2025 /EINPresswire.com/ -- [CUTWORX USA](#), the exclusive North American distribution partner for [Neolt Factory](#), will present a fully automated wide-format production workflow at Printing United Expo 2025, featuring Neolt's advanced finishing systems seamlessly integrated with the Canon Colorado M Series.

Canon Colorado M with Neolt Factory at Printing United

Visitors to Booth 848 will experience a live demonstration showcasing unwinding, printing, and XY cutting—illustrating the speed, precision, and scalability of Neolt's automation platform for roll-to-roll production.

At the center of the demonstration is Neolt's Wallpaper Cutter: XY MATIC TRIM PLUS ONLINE, part of the XY Matic Series, engineered for high-speed trimming of printed rolls with unmatched accuracy. When paired with a motorized unwinder and Canon's UVgel print technology, this integrated workflow enables continuous, unattended production from jumbo roll to finished output.

Workflow Highlights

Motorized Unwinder – Feeds standard or jumbo rolls directly into the printer for uninterrupted operation.

Canon Colorado M Series – Delivers high-speed, high-quality output across a broad range of substrates.

Neolt Wallpaper Cutter (XY MATIC TRIM PLUS ONLINE) – Automated XY cutting system providing precision trimming for wallpaper, signage, and display graphics.
