HRM Summit Awards recognizes Global People Strategist as Best HR Tech Solution of the Year

BOSTON, MA, UNITED STATES, October 17, 2025 /EINPresswire.com/ -- As the unmatched leader in the global employment law software space, the SaaS product Global People Strategist was recently acknowledged as the winner of the Best HR Tech Solution of the Year at the award ceremony in the Kingdom of Bahrain.

Global People Strategist, the all-encompassing HR technology suite that streamlines international labor laws and regulations revealed today that it has secured the Best HR Tech Solution of the Year honor at the HRM Summit Awards 2025, in Bahrain. The

distinction shines a light on the company's forward-thinking software for tackling the complicated maze of global employment regulations across 150+ countries as it helps its clients navigate the intricacies of cross-border talent management.

Each year the HRM Summit Awards convene in the Kingdom of Bahrain under the patronage of His Excellency Jameel bin Mohammed Ali Humaidan, the Minister of Labour. Widely regarded as the Middle East's HR accolade, the ceremony celebrates outstanding employers and individuals whose contributions have been instrumental in shaping the region's HR success story.

Out of a contested pool of nominees, Global People Strategist was declared the winner, a decision made by an independent jury of seasoned industry experts. Their assessment hinged on three pillars: the level of innovation presented, the impact achieved and the concrete value

offered to enterprises that steer workforces.

"This recognition validates our mission to make global employment simple, compliant, and strategic," said Daniel Mendieta, CEO of Global People Strategist. "Behind every international payroll run, every compliance challenge, and every cross-border expansion, there are HR leaders trying to build exceptional teams. This award belongs to our clients who trusted us with their global workforce, and to our team who work tirelessly to solve real HR pain points every single day."

Global People Strategist's all-in-one platform tackles the hurdles companies face when managing global teams, including:

Managing global labor compliance, amid a maze of legislation.

Understanding obligations for payroll and benefits worldwide

Managing talent across borders

Live regulatory updates coupled with risk mitigation

A smooth, frictionless tie-in, with the HR systems, in place

By giving HR leaders a way to minimize compliance issues and remain focused on the business, the platform lightens the load and helps fuel growth.

"When our clients prosper, we prosper too" Mendieta added. "This accolade stands for the collaborations we've forged, the confidence we've earned, and our unceasing drive to innovate across the HR landscape. We're just at the beginning with a truly exciting future ahead of us."

The company experienced a marked surge in 2025, spreading its client portfolio across HR related large enterprises, such as payroll companies and employers of record, all the while continuing to uphold its reputation for customer service and a profound command of international employment law.
