

Open Field Space by Rong Han Wins Silver in A' Interior Design Awards

Innovative Office Design Recognized for Excellence in Interior Space and Exhibition Design Category

COMO, CO, ITALY, October 20, 2025 /EINPresswire.com/ -- A' Design Award, a highly prestigious award in the field of [interior](#) design, has announced that Open Field Space by [Rong Han](#) from China has been selected as a Silver Winner in the Interior Space and Exhibition Design category. This well-recognized award celebrates outstanding achievements in interior design that demonstrate innovation, functionality, and aesthetic appeal.

The Silver A' Interior Space, Retail and Exhibition Design Award recognizes designs that not only enhance the user experience but also contribute to

advancing industry standards and practices. Open Field Space showcases the potential of interior design to create engaging, adaptable workspaces that foster creativity and collaboration, making it highly relevant to the evolving needs of modern offices.

Open Field Space reimagines the traditional office layout by crafting a conceptual inner street ambiance within a constrained physical environment. The design emphasizes the integration of sound, lighting, and electrical systems to create a dynamic, multifunctional space. By seamlessly blending office areas with social settings and experiential design elements, Open Field Space offers a diverse and flexible environment that caters to a variety of needs.

This prestigious recognition serves as a testament to Rong Han's commitment to pushing the boundaries of interior design and exploring innovative spatial strategies. The Silver A' Interior Space, Retail and Exhibition Design Award is expected to inspire the team to continue their

pursuit of excellence, driving further advancements in the field of interior design.
