Foxwoods Resort Casino Incorporates Kinectify to Strengthen AML Risk Management Amid Evolving Regulatory Landscape

LAS VEGAS, NV, UNITED STATES, October 21, 2025 /EINPresswire.com/ -- Kinectify, the leading provider of AML compliance software and advisory services for the gaming industry, is proud to announce that Foxwoods Resort Casino, the largest resort casino in the Northeast, has incorporated Kinectify to elevate its compliance operations.

Owned and operated by the Mashantucket Pequot Tribal Nation, Foxwoods has long set the benchmark for innovation, excellence, and community commitment in tribal gaming. This strategic adoption of Kinectify's AML platform underscores Foxwoods' continued investment in operational integrity and forward-looking compliance practices.

"We are thrilled to partner with Kinectify," said Zach Zarnoch, Chief Compliance Officer at Foxwoods Resort Casino. "Their intuitive technology and gaming compliance experience complement our ongoing commitment to regulatory excellence and guest protection."

Kinectify's configurable platform empowers Foxwoods' compliance team with real-time risk monitoring, case management automation, and seamless suspicious activity reporting—all in one intuitive interface. With a unified patron view and real-time intelligence, Kinectify enables enhanced decision-making and operational efficiency.

“Foxwoods is a hallmark of excellence in the gaming industry, and their selection of Kinectify is a powerful validation of our mission,” said Joseph Martin, CEO of Kinectify. “We are honored to support the Mashantucket Pequot Tribal Nation and partner with Foxwoods as they lead the way in modernizing AML compliance at scale.”

Foxwoods joins a growing roster of leading tribal and commercial operators nationwide turning to Kinectify to meet modern compliance challenges with confidence, speed, and precision.

About Kinectify

Kinectify is an intelligence and risk management technology company serving gaming operators. Kinectify's modern AML platform empowers clients to efficiently manage risk with real-time intelligence so they can focus on growing their businesses instead of being bogged down by compliance. In addition, Kinectify's advisory services enhance gaming operators' capacity with industry experts who can design and test programs, meet compliance deadlines, and even provide outsource services for the day-to-day administration of compliance programs.
