When it came time to select this year's recipient, SW FL Impact Solutions stood out as a reputable company in the windows installation industry. Known for its skilled and friendly team, SW FL Impact Solutions has earned a strong reputation within the Naples community, with

glowing reviews from many satisfied clients. Below are just a few of the many positive testimonials from clients who were highly impressed by SW FL Impact Solutions' communication and exceptional service:

"SW FL Impact Solutions did a great job installing three Mr. Glass hurricane windows on 09/16/25. I initially wanted PGT WinGuard windows to match the other PGT windows I had installed by several other companies. I changed my mind after going to SW FL Impact Solutions showroom and seeing the quality of the Mr. Glass windows. I honestly think Mr. Glass window quality is better than PGT with a nicer finish and better price.

The owners of SW FL Impact Solutions Laz and Ore are great guys, very customer service oriented, and pay attention to detail. They answered all my questions honestly, showed up on time, and never pressured me to buy anything.

The installers sectioned off the work areas and kept everything clean. They took their time to make sure the install was done correctly.

I will definitely be using SW FL Impact Solutions to install the remaining windows in my home and I would highly recommend their services."

"We were extremely happy with Laz and his crew!

Top notch service, excellent response time, work done in a timely manner, friendly, considerate, knowledgeable, helpful, and genuine! The windows and doors are fantastic. Very good quality and great looking too. If you are looking for compliments this is one way to get them. Everyone loves how they look!"

"Laz and his team did a wonderful job! They were super easy to work with, answered all sorts of questions, and did a great job overall. Their work looks fantastic, they were very thorough through the whole process, and were really easy to communicate with the whole time. Definitely recommend!"

"I am extremely pleased with my new hurricane impact windows. The price is reasonable. Laz and Ore were amazing to work with. They were very respectful of my home and answered every question with knowledge and efficiency. I would give 10 stars if I could. I highly recommend!!!"
The SW FL Impact Solutions team consistently goes above and beyond to ensure outstanding project results for every client.

The Quality Business Awards honor businesses that achieve an average quality score of 95% or higher over the previous year. To qualify, a business must receive outstanding customer reviews across at least three different platforms. Companies with excellent reputations and consistent track records over multiple years, along with minimal complaints, are awarded high scores. Additionally, businesses that actively engage with and respond to customer feedback are highly regarded. Other key criteria include a commitment to integrity, community involvement, and proactive measures to reduce environmental impact. Earning a Quality Business Award reflects a dedication to providing top-tier products and exceptional customer service.
