

Untouched Allure Medical Aesthetics Introduces the Matrix® Skin Renewal Platform

Untouched Allure Medical Aesthetics Introduces the Matrix® Skin Renewal Platform: A Revolutionary Approach to Skin Health

DOVER, NH, UNITED STATES, October 20, 2025 /EINPresswire.com/ -- Untouched Allure Medical Aesthetics is proud to announce the addition of the [Candela Matrix®](#) platform to its comprehensive suite of aesthetic services. This groundbreaking system is redefining the future of non-surgical skin renewal with science-backed technology designed to meet the evolving skin needs of patients across all ages and skin tones.

More than just RF microneedling, the Matrix® system is a complete skin renewal platform that redefines the approach to non-surgical aesthetic care. This all-in-one system is built to deliver personalized treatments across multiple skin layers, targeting tone, texture, and laxity. Its advanced, real-time impedance monitoring ensures each pulse is perfectly calibrated for consistent results. By stimulating natural collagen production and adapting to each patient's unique skin concerns, Matrix® empowers Untouched Allure Medical Aesthetics to achieve visible, natural-looking outcomes with greater confidence in every treatment.

“

At Untouched Allure, our goal is to enhance, not alter, your natural features.....”

tightening, and volume restoration.

Untouched Alure Matrix Device with owner

Using three complementary technologies, the Matrix® platform allows Untouched Allure Medical Aesthetics to treat diverse skin concerns across all skin layers with one treatment name, The Matrix Treatment:

RF Microneedling: Stimulates collagen with precision at up to three depths in one insertion for wrinkle reduction, skin

Fractional Resurfacing & Ablation:
Improves texture and tone by
delivering fractionated bipolar RF
energy to resurface skin and reduce
fine lines and wrinkles.

UNTOUCHED ALLURE
MEDICAL AESTHETICS

Untouched Alure Logo

Bulk Heating: Combines infrared and bipolar RF energies to smooth superficial and deeper dermal layers without needles or downtime.

Matrix® treatments address a wide variety of skin concerns in a single, efficient system—boosting patient satisfaction and practice performance.

What Makes Matrix® Different?

Matrix® reframes aesthetic care from a technology-centric narrative to an outcome-driven solution. It treats the most common concerns such as skin laxity, fine lines and wrinkles, sagging, and uneven tone while offering benefits like:

- Customized treatments for all skin tones and types
- Visible results with minimal downtime
- Consistent and predictable energy delivery

The Matrix® platform offers preventive care for younger skin, restorative treatments for midlife concerns, and collagen-boosting renewal for more mature skin.

Untouched Allure Medical Aesthetics: Dedicated to Transformative Care

“At Untouched Allure, our goal is to enhance, not alter, your natural features. The Matrix™ system by Candela perfectly aligns with that philosophy, giving our patients smoother, tighter, more radiant skin while preserving their authentic beauty. It’s the kind of innovation that makes confidence look effortless.” — Leana M. Thomas, MSN, AGPCNP-BC, Owner & Lead Injector, Untouched Allure Medical Aesthetics

Whether patients are seeking to refine skin texture, reduce fine lines and wrinkles, sculpt the jawline, or restore lost volume, Matrix® Treatments provide visible, natural-looking results tailored to each individual’s unique skin journey. Untouched Allure Medical Aesthetics is the premier destination to begin the Matrix® experience.

At Untouched Allure Medical Aesthetics, patients can discover how Matrix® Treatments help achieve radiant, youthful-looking skin with confidence. For more information or to schedule a consultation, visit <https://untouchedallure.com/> or call 603-241-6371.

About Untouched Allure Medical Aesthetics

At Untouched Allure Medical Aesthetics in Dover, New Hampshire, they specialize in delivering naturally elevated results that enhance each client's unique beauty without compromising authenticity.
