

Complete Discovery Source Wins Best Innovation: Beyond Award at 2025 Relativity Fest Innovation Awards

Award-Winning Financial Analysis Tool Transforms Structured Data Review in RelativityOne

NEW YORK, NY, UNITED STATES, October 20, 2025 /EINPresswire.com/ -- Complete Discovery Source, Inc. (CDS) today announced that its [CDS Vision Financial Analysis](#) solution has been named the winner of the Best Innovation: Beyond category at the [2025 Relativity Fest Innovation Awards](#).

With these awards, global legal technology company Relativity recognizes organizations and individuals who are forging new paths to improve the legal industry and its communities. Along with their win in the Beyond category, [CDS was a finalist](#) in two other Innovation categories, including Discover for its CDS Vision Search Toolkit solution and Act for CDS Vision AI Empowered DSAR (Data Subject Access Requests) tool.

“

Our team stretches the capabilities of Relativity with precision and innovation. We're constantly pushing the boundaries of what legal technology can do, and Vision is a powerful example of that.”

Vinnie Budhram, Chief Operating Officer

“What makes this win special is how our team was able to stretch the capabilities of Relativity with precision and innovation,” said Vinnie Budhram, Chief Operating Officer at CDS. “We’re constantly pushing the boundaries of what legal technology can do, and Vision is a powerful example of that.”

“We built this solution to help our client tackle a massive and unwieldy dataset and add value to their analysis and review,” said Mark Anderson, Managing Director, EMEA at

CDS and lead developer on the product. “To see that work recognized by Relativity and the broader legal tech community is proof that our approach makes an impact.”

The Relativity Fest Innovation Awards continue to celebrate transformative contributions, spotlighting new and innovative solutions that address the legal data community's most complex challenges.
