

CyberproAI Showcases Cympire at GovWare 2025 as Part of PCSS Booth

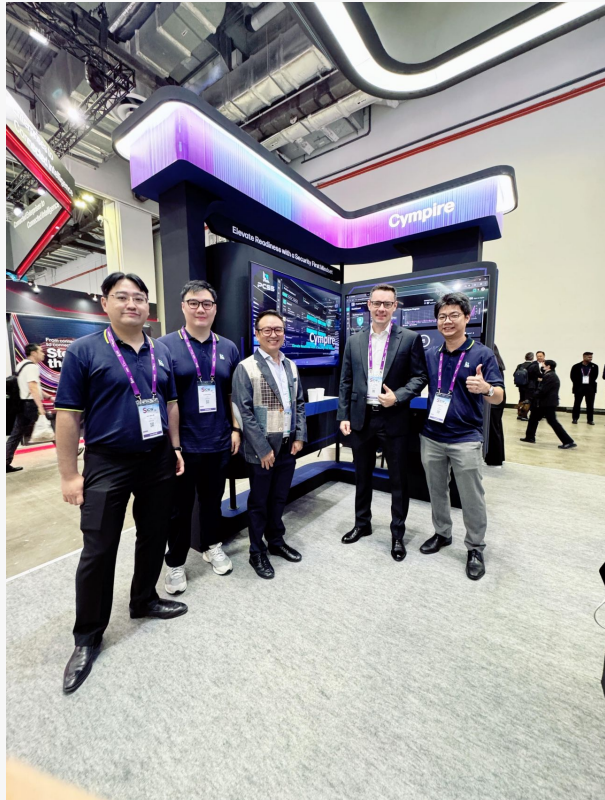

Featuring a 2-day government-focused CTF with Red & Blue Team scenarios, CyberproAI, with PCSS, empowers organizations to build cyber readiness and resilience.

SINGAPORE, SINGAPORE, October 21, 2025 /EINPresswire.com/ -- [CyberproAI](#) is proud to announce its participation at GovWare 2025 (October 21–23, Sands Expo and Convention Centre, Singapore) as a sponsor of the [PCSS](#) booth. CyberproAI will present [Cympire](#), its advanced cyber training and simulation platform, highlighting how organizations can elevate readiness with a security-first mindset.

2-Day Cympire CTF for Government Readiness

During the week of GovWare, CyberproAI will host a two-day, online Capture the Flag (CTF) event designed specifically for government and public sector teams. The competition will feature Red Team and Blue Team scenarios based on real-world attack and defense challenges.

This CTF will allow participants to experience Cympire's hyper-realistic, live-fire simulations, providing both offensive and defensive perspectives in a controlled environment. By engaging in hands-on

exercises, participants will sharpen their skills in detecting, responding, and mitigating threats—critical capabilities for agencies tasked with safeguarding national security.

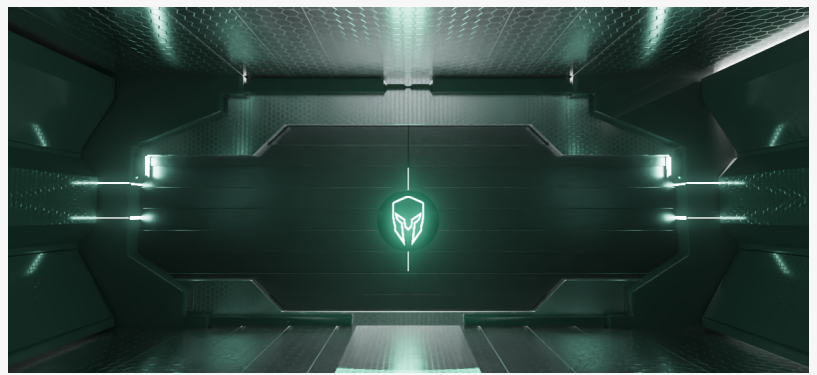

“Our mission is to help governments and organizations in Asia Pacific develop the resilience they need to meet the growing cyber challenge.

GovWare is the region’s most

important stage, and we are excited to

be one of the sponsors of PCSS in the event. Together showcasing Cypire demonstrates how a security-first mindset can transform readiness into a competitive advantage.”
