overhaul.

“We want players to feel in control when building their decks,” said Logan Chou, Executive Producer of Seekers Alliance: Hero’s Journey. “Each card now offers multiple upgrade paths — players can choose to enhance its base stats, add synergistic keywords, unlock powerful but high-risk abilities, or evolve it into a dual-colored card for greater versatility.”

Clearing this demo unlocks three new Heroes, including the map boss, The Council. Each Hero features unique ultimate skills, passives, and decks designed to create synergies with other Skill Cards to offer new strategic possibilities.
